"If the sound of sprinklers makes you reach into your pocket for a tee, if you save your old scorecards, if you love your children to teach them this game, then I know you.

And you can call me Jack"

Lakelands Golf Course

Situated in the heart of Queensland's Gold Coast, Lakelands Golf Club is Jack Nicklaus' first signature designed course in Australia. The multiple tee positions make the course user friendly yet challenging, whatever the standard of golf you play.

Lakelands has been awarded Australia's best-conditioned public access golf course several times in its 28 years of operation, establishing it as the preferred venue for Australia's leading corporate companies.

Jack 'The Golden Bear' Nicklaus

The name Nicklaus is synonymous with greatness in the world of golf. In the early 1960s, Jack Nicklaus played in numerous tournaments and exhibitions, gaining invaluable insights into golf course design from the head professionals and superintendents of the clubs he visited. His passion for design took flight in the mid-1960s when renowned architect Pete Dye invited him to The Golf Club in Columbus, Ohio, to provide input on his course layout. Since that pivotal moment, Nicklaus has received every significant award recognizing excellence in course design and development.

Today, Lakelands Golf Club proudly stands as the first Jack Nicklaus Signature Golf Course in Australia, offering golfers a unique experience crafted by one of the game's legends.

"The older you get the stronger the wind gets and it's always in your face."
